National Honor Society

NHS Pres. John Hassell, Vice-Pres. Bobby Shackelford, and Sec./Treas. Cheval Thomas.

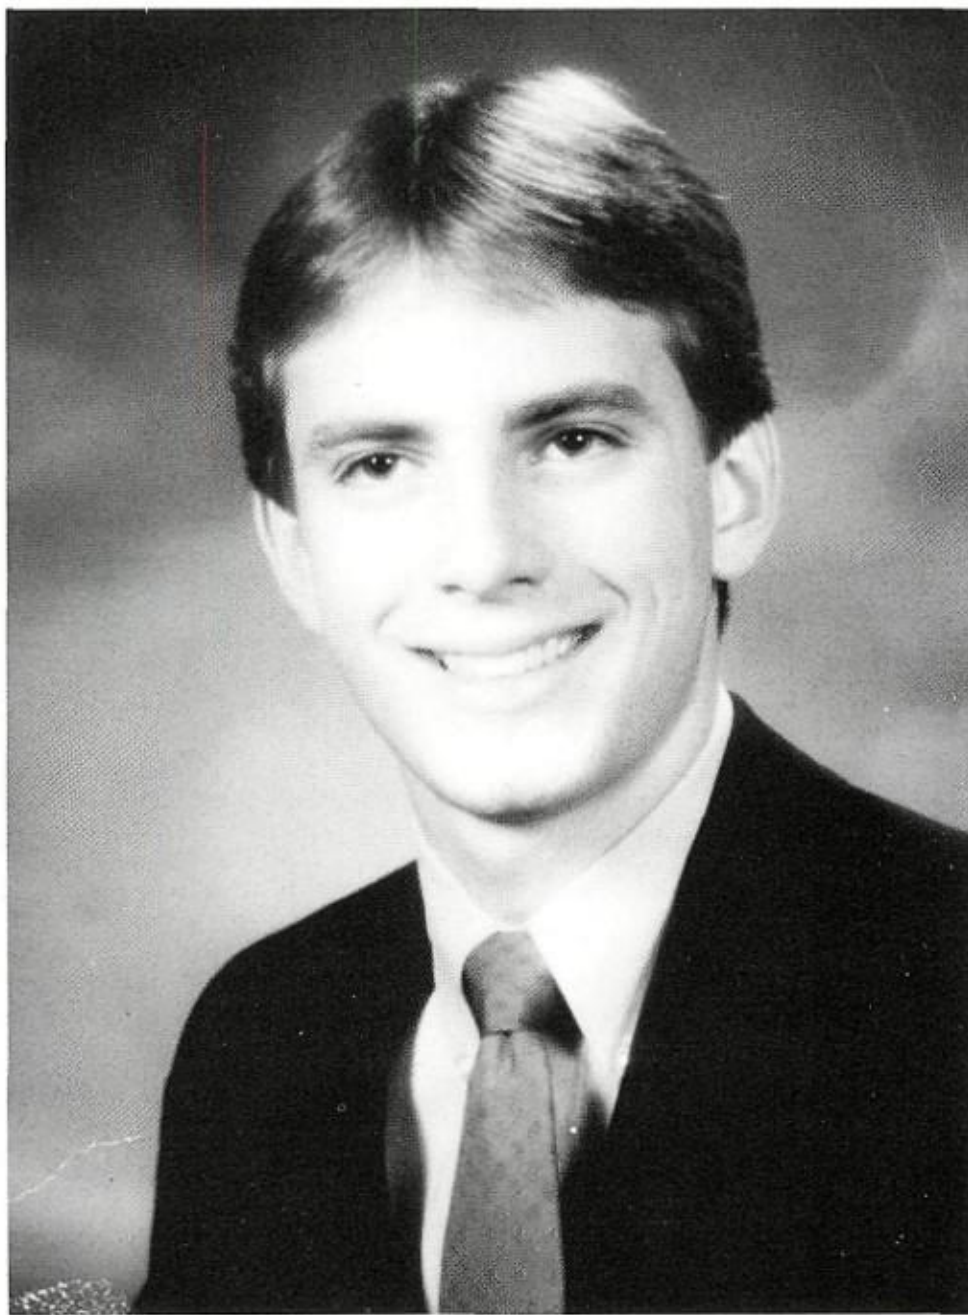

National Honor Society membership requirements changed this year. According to National Headquarters, membership could no longer be based solely on grade point average. Four ideals were considered as the basis for selection, and no student was inducted simply because of a high academic average. The National Honor Society strives to recognize the total student, one who excels in all of these areas: scholarship, leadership, service and character. Therefore, these criteria were used in determining membership eligibility.

The Faculty Council, which consisted of one administrator, the chapter advisor and four faculty members, was responsible for determining the eligibility and the selection of students into the Wewoka Chapter of the National Honor Society. The Council considered all students in grades 10-12 who had accumulated a 3.1 grade point average. Students meeting this scholastic requirement were further evaluated on the basis of leadership, service and character as indicated on a Student Activity Form that each candidate submitted. After this screening process by the Faculty Council, prospective members had to fulfill National Headquarters' requirement concerning completion of a community or school service project. Candidates who completed their projects were inducted into NHS during a special ceremony.

The students pictured on this page have met the initial screening criteria mentioned above. At the time this book went to press, they had not completed their service projects nor undergone induction.

NHS members are; **Top Row:** Regina Griffis, Nova Pattison, Cheval Thomas, Jeri Kennemer, Jackie Kennemer, Dean Calvert, Bobby Shackelford, Richard Ellwanger, Dusty Gaines, Bryan Bryant, Terrance Payne, Matt Cain, and Brent Parks. **Middle Row:** John Hassell, Felisha Sloan, Kay Wallace, Sharla Mosley, Susan Reedy, Sonya Beaver, Stephen Barkus, and Shawn Carter. **Bottom Row:** Carol Edmonson, Lori Grimes, Bethe Hobbs, Sandi Stevens, Tracy Shores, Susan Floyd, and Nelda Knight. **Not Pictured:** Suzanne Tucker.

John Hassell is the son of Don and Nina Hassell. He has become the Valedictorian of the 1985 graduating class with an accumulated grade point average of 3.972. John has been a member of State Honor Society for 4 years. He has also been a member of National Honor Society for 3 years and has been President for 2 years. He has been a member of the Student Council for 4 years, the Vice-President for 1 year, and this year he held the office of President. John has been active with the band for 7 years. He has been a member of the Band Council for 5 years and the President for 1 year. He has been in All-District Band 5 years and All-State Band 3 years. John was voted Most Likely to Succeed and Best All Around of his senior class.

Sandra Davis is the daughter of Hideko Davis. She earned the title of Salutatorian with a grade point average of 3.947. She was both a Yearbook Royalty attendant and Homecoming Court attendant her freshman year. Sandra has also participated in Basketball and Track for 2 years. She was also a Cheerleader for 3 years. Sandra has been a member of the Science Club for 4 years. She has also been a member of Student Council for 4 years and has held the offices of Secretary for 1 year and Vice-President 1 year. She has been a member of State Honor Society for 4 years and National Honor Society for 3 years. 1985

In General

A general look at 1985 shows us Michael Jackson's Victory Tour; one concert alone grossed over \$30 million. At the top was Prince and the Revolution with the hit "Purple Rain." It left everyone in a purple mood. The other side of life shows us the computer craze. Computers are becoming a vital part of life. Renting video movies is the thing these days. The movies run about \$3.00 a day to watch a rerun. In the survey taken at WHS, Computers was the class that came out on top. It is very clear to see the changing times and one thing for sure is that WHS is right there changing too.

At WHS you are sure to see many varieties of hairstyles.

A big trend at WHS is oversized earrings in all shapes, sizes and colors.
